It’s time to start decorating for the holidays, and what better way to do so than by purchasing a wreath and/or garland to support Alamance County 4-H! The wreaths are handmade by the Snapdragons 4-H Club and ACC horticulture students. They are approximately 20-22 inches in diameter and are made from the boughs of cedar & Fraser fir trees. The garland comes from Pardue Tree Farm and Nursery in Sparta, NC. They are a three generation family-owned farm and have been in the evergreen business for over 25 years. They harvest by hand the Fraser Fir, White Pine and Boxwood boughs to make their garland. All proceeds from this fundraiser will benefit the 4-Hers of Alamance County.

Please make checks payable to: Alamance County 4-H. Payment is required at time of order.
