Dear 4-Hers and Helper,
This Project Record form is designed to help a young child record and recognize their accomplishments. Any help that a child receives from a parent, volunteer, or any other adult is a very positive addition to the project and the project record form as long as the child is encouraged to do as much as possible themselves. If needed, the writing can be dictated to the helper. If more space is needed, add extra sheets of paper. Good Luck!
Things I learned and did in my project:

(examples)

Foods Project – Learned to measure dry ingredients
Outdoors Project – Went on a nature hike and saw two snakes
My Name is ________________________________________________________________

My favorite part of this 4-H Project was ______________________________________

__________________________________________________________________________

__________________________________________________________________________

The hardest part about my 4-H Project was ___________________________________

__________________________________________________________________________

__________________________________________________________________________

Other 4-H activities that I enjoyed were __________________________________________

__________________________________________________________________________

#1 - Begin by introducing yourself.

#2 - Tell about your experiences with your project.

#3 - Please add any other information you would like to include in your 4-H story on the back of this page.
Draw a picture of something you did in your project.
Other things I have done in 4-H this year:

(examples)

- Attended 8 club meeting, camp, Summer Fun, etc.
- Participated in Big Sweep clean up

If you would like, you may add 3 additional pages of items that show how much you have done in 4-H this year. It might be photos of you working on your project, news clippings, other drawings, collages, poems or other things. Be creative.
