NC State University, N.C. A&T State University, U.S. Department of Agriculture and local governments cooperating.”

HOW DO I ATTEND?

Scan here and apply online

“One of the biggest benefits of attending NC Farm School was the network. There’s a whole farming community that I didn’t know, I now can interact with our local farming community with some perspective.”

What we offer you!

- Learn business skills with specific training and tools to help you grow your farm
- One on one site visits with NCSU business specialist and your county agent around your goals
- Mentoring based on your area of interest

“There’s no textbook for what I’m trying to do, [NC Farm School] gave me confidence to be able to think I could go from a gardener to a farmer, and that I had support.”-Heather Haley (left) Husband (Center) and Mom (right)
